

WHAT WE DO

The Equipment Loan Fund (E.L.F.) program is a service provided through the Brookline Council on Aging. The goal of this program is to facilitate the exchange, donation, and loan of gently used durable medical equipment, free of charge.

The Brookline Council on Aging, a town department, is responsible for planning, coordinating, and providing comprehensive services for Brookline residents over the age of 60.

Frequently Asked Questions

How do I donate medical supplies?

It is important to speak with the program coordinator PRIOR to dropping off any items. Due to space constraints and public health regulations, E.L.F. may not be able to accept certain items.

I don't live in Brookline. May I still borrow or donate an item(s)? YES! E.L.F. is a community supported program receiving and loaning items in Brookline and the Greater Boston area.

What is involved in borrowing an item? After an initial call, one can pick up the item requested, but must fill out loan paperwork.

How long may I borrow an item? There is no time limit! You may keep an item as long as you need it.
