

FROM THE BOARD PRESIDENT

Dear Friends of the Brookline Senior Center,

In this ever-changing world, one constant remains, the Brookline Senior Center. The Brookline Senior Center is a critical community resource for older adults to participate in a variety of programs, make new friends, volunteer, and access vital services. For this I'm grateful. And, I'm not alone. Here are a few testimonials:

"There's so little that I feel I can do to make a difference in our rapidly changing world. I feel good about being a monthly sustaining contributor to the Brookline Senior Center."

"This group and course was spectacular! Meeting different people and sharing experiences was encouraging and made me realize I was NOT alone. Friends are passing, moving, and changing – as am I."

"Thank you so much for sending [HELP Worker]. She has become part of the family and I love her dearly. She does everything for us. We're so grateful."

"I have the dream team – and I know it! [His HELP workers] all work so well together and it means the world to me that they care about him like he's family – especially because I'm not there."

"Thanks very much for the loan of the wheelchair. My brother-in-law greatly appreciated the mobility it allowed him during his visit. Just one more huge benefit of being a part of the Senior Center!"

"This new rollator is perfect and what a beautiful color! The one I had previously was way too heavy with my arthritis. I'm going on vacation in two weeks and I can't usually walk that far – but now I will be able to! God bless you and this program"

"I sat right up front for the concert. It was one of the most enjoyable experiences I've ever had! It was more than a delight; I don't know how you did it!"

"You people ace it when it comes to educating us!"

Thank you to ALL Brookline Senior Center Foundation Board Members, Staff, Volunteers, Participants, and Donors! Because of you, many are thankful.
