

HOW CAN I HELP?

Wondering how you can help around the SNAP crisis? Here are some suggestions.

- 
- If you are able, make a monetary donation to the Brookline Food Pantry (brooklinefoodpantry.org).
 - If you have the means, “sponsor” an impacted individual or family for a month. Post a note on your neighborhood association social media page and make an offer to purchase groceries if someone knows an individual or family in need.
 - Buy a bag or even a can of food and donate it to a local food drive. Every little bit helps!
 - Be an advocate! Contact USDA Secretary Brooke Rollins and insist that the government immediately release SNAP contingency funds at 202-720-3631 or brooke.rollins@usda.gov
 - Visit the State site to see additional ways to help. <https://www.mass.gov/president-trump-has-frozen-snap-benefits>
